

United Kingdom 

The Forge Clinic is a local health care provider which specialises in manual treatments and alternative therapies. Our team consists of trained professionals who are all experts in their fields. They will work with you to assess, diagnose and treat you in the best way possible. Whether you have a persistent sports injury or you are looking for massage therapy to help with arthritis, we can help you. Since we have been in operation, thousands of people have found relief from their conditions by receiving treatment at The Forge Clinic in Richmond.
