Explore, Learn and Connect Online

Stateofgreen.com is your online entry point for all relevant information on green solutions in Denmark and around the world. Here you can explore solutions, learn about products and connect with profiles. Many of the featured profiles and solutions welcome visitors and offer investment opportunities.

State of Green

State of Green is a public-private partnership founded by the Danish Government, the Confederation of Danish Industry, the Danish Energy Association, the Danish Agriculture & Food Council and the Danish Wind Industry Association. H.R.H. Crown Prince Frederik of Denmark is patron of State of Green.
